

Group Purchasing

Forms and Stock Products

LACA has an agreement with PrintSource, a paper supply and printing company, to order paper products and pre-printed forms at a group discount for our member districts. We currently order and stock the following products:

- Continuous paper
 - blue bar
 - 8 ½ by 11 single
 - 8 ½ by 11 two part
- Continuous labels
 - One up
 - Two up
- Continuous no header purchase orders
 - Five part

Most of our member districts order their checks directly through PrintSource. (see state contacts)

Printer Ribbons

LACA purchases and stocks, ribbons for printers that we maintain under maintenance agreements. We currently stock ribbons for Hewlett Packard line printers and a number of DEC printers.

Maintenance Agreements

LACA has signed maintenance agreements for member districts on communication equipment and printers purchased through LACA. LACA currently has agreements with HP/Compaq (formerly Digital Equipment Corporation) and Inland Corporation. These maintenance agreements are reviewed annually by the district to determine accuracy and make changes (additions/deletions) to the agreement. New printers can be added throughout the year, as purchased, at the district's request.
