- Print Merge
 - Disability Condition selected on the PR06P2 and saved once on the form, displays the code on the Print Merge screen. If the form is saved twice, or more, the Print Merge will display description as selected on the form.
- Copy/Paste Function
 - The copy/paste functionality from Word is replacing the apostrophes and double quotes with funky characters. (Work around save in Spell Check Area)

Current Issues/Questions

- IEP Due Date Report
 - IEP Due Date Report is not calculating the Due Date properly. Currently returning just the Meeting Date from the finalized IEP, should be returning the IEP Meeting Date PLUS one year on the IEP Due Date Report. (Work around extend date in field)
