## **E-Rate Update (Continued)**

**By David Stein**

We strongly encourage all of our schools to attend the state E-Rate coordinator training sessions in fall and winter – especially those who do not use a consultant. Lorrie Germann is very accessible, and she can answer all of your questions.

We frequently send Lorrie's informational and reminder messages to our E-Rate audience, so please send an e-mail to [dstein@laca.org](mailto:dstein@laca.org) to be added to our listserv, if you'd like to subscribe.
