Changes/Clarifications for Staff Reporting

Reporting Staff No Longer Employed

- If an employee leaves the district on or after the last day of school, and works no days in the next fiscal year (but was not reported as separated in FY21), update the employee record:
 - FY21 Final Staff reporting
 - Employee's Position Status remains the way it was set on the employee's last day of work
 - No separation date and no separation reason
 - FY22 First Staff reporting
 - Position Status U
 - Separation Date
 - Separation Reason
 - FY22 Final Staff Reporting
 - Same reporting as the first reporting

- If an employee leaves the district after June 30 and works no days in the new fiscal year, update the employee record:
 - FY22 First Staff reporting
 - Position Status U
 - Separation Date
 - Separation Reason
 - FY22 Final Staff reporting
 - Same reporting as the first reporting
 - if employee was not reported correctly in the first reporting, may need to request an override

- If an employee leaves the district after June 30 and works days in the new fiscal year, update the employee record:
 - FY22 First Staff reporting
 - Employee's Position Status remains the way it was set on the employee's last day of work
 - Separation Date
 - Separation Reason
 - FY22 Final Staff reporting
 - Report the employee the same as in the first reporting
 - FY23 First Staff reporting
 - Set the employee's Report to EMIS flags to N

- If an employee leaves the district after the close of the first Staff collection and before the end of the school year, update the employee record:
 - FY22 Final Staff reporting
 - Employee's Position Status remains the way it was on the employee's last day of work
 - Separation Date
 - Separation Reason
 - FY23 First Staff reporting
 - Set the employee's Report to EMIS flags to N

- If an employee had a supplemental contract in the previous year and did not return for the current school year...
 - FY22 First Staff reporting
 - Set employee's Report to EMIS flags to N (it's ok that these employees are not reported to ODE with separation date and reason; supplementals are not included in staff missing)

Available Reports

Prior to Submission to ODE:

The Level 1 Validations will be generated after staff data is loaded into the data collector. There may be some course errors, which may either be caused by courses not created for staff or the wrong position code attached to the staff record. The Missing Staff report is available prior to submission.

After ODE Processes Data:

Some errors will be in the Data Collector as Level 2 Reports.
