Discussions include extending the lease, amortizing the cost of a power generator for the facility, and expansion options. The costs for these lease options are not yet available, but an anticipated 2% increase in the current lease has been included in the financial projections. More information will be available at the next LACA Governing Board meeting.

Nelson McCray requested the Superintendents complete the LACA Executive Director evaluation and send in if not already done. A copy of the evaluation form will be e-mailed.
